

Bring Your Device to Lunch Day

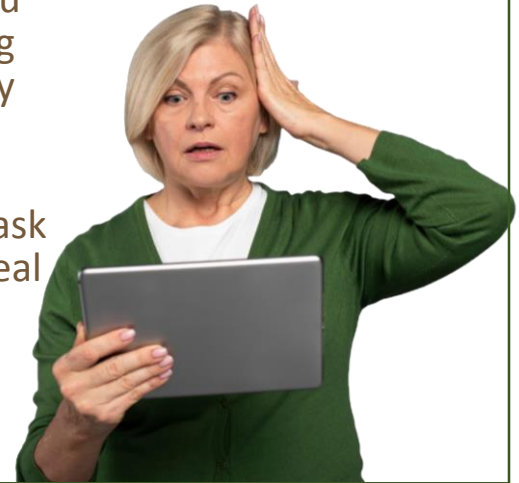

A Free Lunch 'n' Learn to Help You Get the Most from Your Electronic Devices

No matter what kind of devices you use, chances are you're not getting the most out of them and it's likely that, sometimes, they are even a source of frustration.

Then you're either embarrassed to ask for help or you just don't want to deal with that digital-native eyeroll.

Bring your device, we'll provide lunch AND help you get the most from your technology!

Technology can be a double edged sword that can be a HUGE help and an even bigger source of frustration. These devices that keep you connected become more integral to every day life. Whether you want to read your local newspaper, connect with friends and family, engage with a healthcare provider, or pay your bills, your device is likely to be a part of that.
