- Our total fuel sales for the month of July was 2,515 gallons. During this same time period last year we sold 2,364 gallons. An increase of 151 gallons.
- Because of this increase in sales, we ordered fuel twice in July!!!
- The Rotary club is looking into and has been given the ok to plant trees (shrubs) near the old wastewater pump station as a visual shield of the building from the park.

- We had 8 transient boaters this month.
- The Beth Wright Foundation held a fundraiser on July 30th. I have been told it was a huge success.

Respectfully submitted,
