City of Ellsworth Recreation Commission,

I am submitting this letter of intent to express my interest in being a member of The City of Ellsworth Recreation Commission.

I am a resident of Ellsworth - born and raised here. As a child I participated in several youth activities within the city and my family was very involved with community events and projects. The Ellsworth community is important to me and I feel I would be an asset to the commission when it comes to planning special events.

I feel it is important to provide activities and recreational opportunities for the residents of Ellsworth. By providing these opportunities, residents will be inclined to get involved and participate within the community without having to leave Ellsworth and go to surrounding towns.

The Downtown area of Ellsworth is especially of interest to me. I am currently the Operations Manager at The Grand Theater and am always thinking of ways to improve the Downtown experience for residents and visitors.

Your consideration of appointing me to the commission is appreciated.

Thank you,

Kimberly Fitch
