August 10, 2023

Greetings from Commissioner Bill Clark, your representative of Hancock County's Commissioner District #1.

As you can see from the attached information, we are, once again, preparing for another year's county operating budget. One of the significant steps in creating our annual budget is for a group of residents within the county to meet, examine the proposed budget and make recommendations back to the Commissioners before it's enacted.

Establishing this group, consisting of 3 members from each of the county's 3 commissioner districts, requires an election at the annual county caucus of those interested in serving on this Budget Advisory Committee. Serving on this committee generally consist of attending 3 to 4 early evening meetings in October, each meeting lasting only a couple hours. Our county caucus for District #1 this year is scheduled for September 6, 2023 at 1:00 P.M. At this caucus, people interested in serving are nominated and an election is conducted. Each member serves for a 3-year term. Unlike other elections, candidates need file their intention to run, find it not necessary to campaign and don't even need to attend the caucus. We will take care of all the details. All we need are those interested in participating.

This year, there are 2 vacancies on the Budget Advisory Committee but both of these positions need to be filled with municipal officials (select persons or council people) which brings me to this letter. Only municipal officials in District #1 can serve and that means they must come from towns such as yours.

This is a situation where the people have the ability to get directly involved in the creation of the county budget. If you, as a municipal official, would like to serve, please contact our County Administrator, Michael Crooker, either by e-mail (Michael.crooker@hancockcountymaine.gov) or calling his office at 667-9542.
