

Harbor Commission 8/28/2024

Present: Fred Ehrlenbach, Jeff Gordon, Christina Petros, Frank Pierson, John Noll and Adam Wilson

Call to order: 18:00 hrs

Minutes: not available

Dredge Update : ACOE has new project manager. Two Groups have been here to revisit site to review CAD cell options. The project is still on the 2025 calendar. Funding still is questionable.

Council Update: No one present.

Harbor Master Report: Transient slip has been busy. Fuel sales have been average. There are 5 moorings that have not been occupied. The concert series for the season have been completed. They were well attended. John B. has been busy with harbor maintenance.

Member Comments: There several trees on the river bank that should be removed before storm season arrives. One in front of the harbor office and another in front of the Gazebo.

Staff Comments: None

Adjourned: @18:40 hrs.

Respectfully submitted,

Frank Pierson
