

City of Ellsworth Craft/Vendor Fair Fundraiser to benefit the Backpacks for Kids program and Christmas for Kids program.

Proceeds from vendor table reservations will directly support the General Assistance fund, benefiting the Backpacks for Kids program and the Christmas for Kids program. The Backpack initiative ensures that children in our area who are in need receive essential school supplies for the 2026/2027 academic year. The Christmas for Kids program helps families in need so children who may not otherwise receive a gift experience the joy of the holidays.
