Assessing Services Request for Proposals Addendum #1

Corrections

II. Background

The City uses TRIO for tax billing and collection, not MUNIS as stated in the RFP.

III. Scope of Services

5. Systems Integrations

The City of Ellsworth does not currently use MUNIS, we use TRIO software for tax billing and collection.

Questions received

Is this a supporting role for the current assessing department or being the actual assessing department for the town?

The intent is for this contact to replace the lead Assessor role, however, there will be full time staff in the assessor's office for day-to-day inquiries and other tasks as needed.
